Our Mission

Career Services helps students and alumni by:

• Providing empathetic career coaching to help you **explore**, **develop**, and **refine** your career vision.

• Training you in **self-marketing**, professional etiquette, and relationship-building, to empower you to achieve your career goals.

• Cultivating school-wide **partnerships** with a broad range of relevant employers and establish alumni and student networks

The career services team is comprised of highly trained professionals with significant advising experience.
This report analyzes the Oct. 2021, Feb. 2022 and May 2022 employment survey responses and related information. The Office of Career Services had information regarding 617 graduates as of Jan. 31, 2023, from a total of 672 graduates surveyed, a knowledge rate of 92%.
