\*Students need to complete a total of 4.5 elective credits in the 2026-2027 academic year; students can choose to complete these electives in either the fall '27 or spring '27 terms. Students complete 3 elective credits during the fall '26 term. Students are expected to complete a total of 7.5 elective credits during the 28-month program. Students can take a maximum of 6 elective credits online, and must complete a minimum of 1.5 elective credit in-person.

\*\*The Thomas P. Ference Health System Simulation is an intense 2-day hospital simulation that requires students to work in teams and draw on the knowledge and skills gained over the course of their time in HPM.

\*Students may not vary from the curriculum. Electives taken outside of Mailman need to be approved by HPM to count towards the management curriculum.
