

<b>LABOR/DELIVERY WARD OBSERVATION TOOL</b>		
<b>ELIGIBILITY</b>		
	I would like to ask you some questions to find out if you are eligible to participate:	
1.	How old are you? 1. 15 years or older → GOTO Q2 2. Younger than 15 → terminate survey	
2.	Are you here to deliver at this facility?	1 Yes → GOTO Q3 2 No → terminate survey
<b>CONSENT</b>		
	Please stop me at any point and ask questions if anything is unclear. When I finish reading, I am going to ask you to sign your name to show you understand the study and agree to participate. [READ CONSENT FORM AND CONDUCT CONSENT PROCESS]	
3.	Has the respondent agreed to participate?	1 Yes → GOTO Q4 2 No → terminate survey
<b>COVERSHEET</b>		
	Observer Name	
	District	
	Name of health facility	1 Magunga Hospital - Korogwe 2 Teule Hospital - Muheza
	Shift number	
	ID number	
	Start date	
	Start time (24 hour clock and day of the week)	
	End date	
	End time (24 hour clock and day of the week)	
	Did observer finish her observation in her shift?	1 YES      2 NO
	Handed over observation to: (observer name)	
<b>A.</b>	<b>Background Characteristics</b>	
4.	Mother's gravida	
5.	Mother's parity	
6.	Children alive	
7.	Mother's district	
8.	Mother's village (Where she lives)	
9.	Mother's tribe	
<b>B.</b>	<b>Observation of initial client assessment</b>	

10.	Who welcomed the mother at admission?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		
11.	Did this provider introduce herself to the mother?	1 YES	2 NO	88 DK
12.	Was the mother accompanied by anyone to the hospital?	1 YES	2 NO → SKIP TO Q14	88 DK
13.	If yes, who accompanied the mother? SELECT ALL THAT APPLY	1 Mother 2 Father 3 Mother-in-law 4 Father-in-law 5 Husband 6 Child 7 Other relative (specify) _____ 8 Friend 9 TBA 96 Other (specify) _____ 88 DK		
14.	What is the role of the person(s) who accompanied the mother? (Provides food, supplies, leaves at admission)			
15.	Who did the admission registration of the woman?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		

16.	Who performed the first examination of the woman?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		
17.	Was the person who did the exam the same as the person who did admission?	1 YES	2 NO	88 DK
18.	Where did this first examination take place?			
19.	Did the provider explain what was happening before doing the examination?	1 YES	2 NO	88 DK
20.	Was privacy assured during the examination?	1 YES	2 NO	88 DK
21.	Was the mother accompanied by anyone other than a health care worker in the pre-labor/labor ward?	1 YES	2 NO → SKIP TO Q24	88 DK
22.	If yes, who accompanied the mother? SELECT ALL THAT APPLY	1 Mother 2 Father 3 Mother-in-law 4 Father-in-law 5 Husband 6 Child 7 Other relative (specify) _____ 8 Friend 9 TBA 96 Other (specify) _____ 88 DK		
23.	What is the role of the person(s) who accompanied the mother? (Provides food, supplies, leaves at admission)			
24.	What supplies did the patient bring with her for the delivery? SELECT ALL THAT APPLY	1 Kanga 2 Mpira wa kulalia 3 Gloves 4 Cotton 5 Razor 6 Cha kubania kitovu 7 Bomba la sindano 8 Oxytocin 9 Uzi wa kushonea 10 Nothing 96 Other (specify) _____ 88 DK		

<b>Record whether the provider carried out the following steps and/or examinations: Y = YES N = No DK = don't know NA = Not applicable</b>					
25.	Respectfully greets the pregnant woman	1 Y	2 N	88 DK	77 NA
26.	Encourages the woman to have a support person present throughout labor and birth	1 Y	2 N	88 DK	77 NA
27.	Asks woman (and support person if present) if she has any questions	1 Y	2 N	88 DK	77 NA
28.	Responds to woman's questions and concerns	1 Y	2 N	88 DK	77 NA
29.	Calls the patient by her name	1 Y	2 N	88 DK	77 NA
30.	Did the provider ask the patient or check client card for the following:				
a)	Age	1 Y	2 N	88 DK	77 NA
b)	Gestation of the pregnancy	1 Y	2 N	88 DK	77 NA
c)	Parity	1 Y	2 N	88 DK	77 NA
d)	Personal and medical history	1 Y	2 N	88 DK	77 NA
e)	Obstetric history	1 Y	2 N	88 DK	77 NA
31.	Asks whether she has experienced any of the following danger signs:				
a)	Fever	1 Y	2 N	88 DK	77 NA
b)	Foul smelling discharge	1 Y	2 N	88 DK	77 NA
c)	Headaches or blurred vision	1 Y	2 N	88 DK	77 NA
d)	Swollen face or hands	1 Y	2 N	88 DK	77 NA
e)	Convulsions or loss of consciousness	1 Y	2 N	88 DK	77 NA
f)	Severe difficulty breathing	1 Y	2 N	88 DK	77 NA
g)	Vaginal bleeding	1 Y	2 N	88 DK	77 NA
32.	If mother had a previous birth, asks about the following complications during previous pregnancies. If this is the first pregnancy for the mother, skip to Q33.				
a)	High blood pressure	1 Y	2 N	88 DK	77 NA
b)	Convulsions	1 Y	2 N	88 DK	77 NA
c)	Heavy bleeding during or after delivery/hemorrhage	1 Y	2 N	88 DK	77 NA
d)	Previous C sections	1 Y	2 N	88 DK	77 NA
e)	Prior stillbirths	1 Y	2 N	88 DK	77 NA

f)	Prolonged labor	1 Y	2 N	88 DK	77 NA
g)	Prior neonatal death	1 Y	2 N	88 DK	77 NA
h)	Abortion (miscarriage)	1 Y	2 N	88 DK	77 NA
33.	Washes his/her hands before any examination	1 Y	2 N	88 DK	77 NA
34.	Explains what she will do before doing the examination	1 Y	2 N	88 DK	77 NA
35.	Takes temperature	1 Y	2 N	88 DK	77 NA
36.	Takes pulse	1 Y	2 N	88 DK	77 NA
37.	Takes blood pressure	1 Y	2 N	88 DK	77 NA
38.	Asks/notes amount of urine output	1 Y	2 N	88 DK	77 NA
39.	Tests urine for presence of protein	1 Y	2 N	88 DK	77 NA
40.	Performs general examination (e.g. for anemia, oedema)	1 Y	2 N	88 DK	77 NA
41.	Performs abdominal examination:				
a)	Estimates fundal height (with measuring tape or hands)	1 Y	2 N	88 DK	77 NA
b)	Checks fetal presentation by palpation of abdomen	1 Y	2 N	88 DK	77 NA
c)	Checks fetal heart rates with fetoscope/Doppler for one minute	1 Y	2 N	88 DK	77 NA
42.	Performs vaginal examination (cervical dilation, fetal descent, position, membranes, meconium)	1 Y	2 N	88 DK	77 NA
43.	Covers the mother, uses a privacy screen or uses a drape during examination	1 Y	2 N	88 DK	77 NA
44.	Informs the pregnant woman of findings	1 Y	2 N	88 DK	77 NA
<b>C.</b>	<b>Observation of 1<sup>st</sup> stage labor</b>				
45.	At least once, explains what will happen in labor to the woman and, if relevant, her support person	1 Y	2 N	88 DK	77 NA
46.	At least once, encourages woman to consume liquids/food throughout labor	1 Y	2 N	88 DK	77 NA
47.	At least once, encourages/assists woman to ambulate and assume different positions during labor	1 Y	2 N	88 DK	77 NA
48.	Supports the mother during labor in a friendly way	1 Y	2 N	88 DK	77 NA
49.	Supports the woman to use the toilet as needed	1 Y	2 N	88 DK	77 NA
50.	Drapes woman or gives woman something to cover her	1 Y	2 N	88 DK	77 NA

51.	Privacy assured during the examination	1 Y	2 N	88 DK	77 NA
52.	Washes his/her hands before pelvic examination of woman	1 Y	2 N	88 DK	77 NA
53.	Explains what she will do before doing the examination	1 Y	2 N	88 DK	77 NA
54.	Wears sterile or high-level disinfected gloves for vaginal examination	1 Y	2 N	88 DK	77 NA
55.	Evaluates fetal hearth rate at least once every 30 minutes	1 Y	2 N	88 DK	77 NA
56.	Evaluates maternal blood pressure at least once during labor	1 Y	2 N	88 DK	77 NA
57.	Did the woman have a companion who was not medical personnel in the room with her during the first stage of labour? (e.g. family member, friend, TBA)	1 Y	2 N	88 DK	77 NA
<b>D.</b>	<b>Continuous observation of 2<sup>nd</sup> and 3<sup>rd</sup> stage labor</b>				
58.	How many women were in labor at the same time as the mother? (WRITE 0 IF ONLY THE MOTHER)				
59.	How many people examined the mother during the course of labor? Please list the number of providers from all of the cadres who examined her.	Doctor: ____ AMO: ____ Clinical officer: ____ Nurse/midwife: ____ Medical intern: ____ Nursing student: ____ Medical attendant: ____ No one: ____ Wengine (taja)_____			
60.	What time did the mother arrive in the delivery room? [write in 24-hour clock]	-- : --			
61.	Did the mother have a companion other than a health care worker with her in the delivery room?	1 YES	2 NO → SKIP TO Q64	88 DK	
62.	If yes, who accompanied the mother?	1 Mother 2 Father 3 Mother-in-law 4 Father-in-law 5 Husband 6 Child 7 Other relative (specify) _____ 8 Friend 9 TBA 96 Other (specify) _____ 88 DK			
63.	What tasks did the person(s) who accompanied the mother into the delivery room perform?				

64.	Who was the main provider who attended the mother during labor?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		
65.	Who was the main provider who conducted the delivery?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		
66.	Was the main provider who conducted the delivery male or female?	1 Male 2 Female 88 DK		
67.	Did the provider put on clean protective clothing in preparation for birth that protects face, body, and hands from contact with fluids (minimum gloves and apron)?	1 YES	2 NO	88 DK
68.	Was the provider at the delivery the same as the provider in the labor room?	1 YES → SKIP TO Q72	2 NO	88 DK
69.	Did this provider introduce herself?	1 YES	2 NO	88 DK
70.	Was the mother covered during the delivery? (except the perineum)	1 YES	2 NO	88 DK
71.	How many women were in delivery at the same time as the mother? (WRITE 0 IF ONLY THE MOTHER)			
<b>E.</b>	<b>Continuous observation of 2<sup>nd</sup> and 3<sup>rd</sup> stage labor</b>			
72.	Did the provider perform active management of the third stage of labor (AMTSL)?			
	a) Uterotonic given	1 YES	2 NO	88 DK
	b) Controlled cord traction	1 YES	2 NO	88 DK
	c) Massage of the uterus	1 YES	2 NO	88 DK

73.	Was an episiotomy performed?	1 YES	2 NO → SKIP TO Q76	88 DK
74.	Was the mother's episiotomy stitched?	1 YES	2 NO → SKIP TO Q76	88 DK
75.	If yes, was anesthesia used for the stitching of the episiotomy?	1 YES	2 NO	88 DK
76.	Did the mother receive any of the following around the time of delivery?			
a)	Antibiotics in any form	1 YES	2 NO	88 DK
b)	Uterotonic for augmentation	1 YES	2 NO	88 DK
c)	Anti-hypertensive	1 YES	2 NO	88 DK
d)	Anti-convulsant	1 YES	2 NO	88 DK
e)	Injection or pill to stop bleeding/contract uterus after baby was born above the usual amount (for PPH)	1 YES	2 NO	88 DK
f)	Manual removal of placenta or removal of retained products	1 YES	2 NO	88 DK
g)	Blood transfusion	1 YES	2 NO	88 DK
h)	Caesarean section	1 YES	2 NO	88 DK
i)	Vacuum extraction (suction to pull baby out)	1 YES	2 NO	88 DK
j)	Other complications (specify)			
77.	If she received any of the above, did the provider ask her or a family member for consent?	1 YES	2 NO	88 DK
	If woman experienced any of the procedures listed above, <u>for each</u> , specify the following. If no, skip to Q81.			
78.	Procedure 1: _____			
a)	Who was the first person to recognize the <u>need</u> to act?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK		
b)	Was the person who recognized the need to act the person who was attending the woman?	1 YES	2 NO	

c)	Did this person consult with anyone?	1 YES	2 NO → SKIP TO Part E)
d)	If yes, with whom did the person consult? SELECT ALL THAT APPLY	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK	
e)	Who made the final decision to provide the procedure?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK	
f)	Please provide a contextual description of the decision making process. How was the problem identified? How did the health provider(s) address the complication? When was the decision made to act?		
79.	Procedure 2: _____		
a)	Who was the first person to recognize the <u>need</u> to act?	1 Doctor 2 AMO 3 Clinical Officer 4 Nurse/midwife 5 Medical intern 6 Nursing student (no supervision) 7 Nursing student under supervision 8 Medical attendant 9 No one 96 Other (specify) _____ 88 DK

**Observation Tool: Disrespect and Abuse Checklist**

For each D&A event, specify if the patient experienced the event, where it occurred, and any contextual information

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
1	Health providers discussed patient's private health information in a way that others could hear	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
2	Health providers shared patient's private health information with others without patient's consent	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.

\* For each occurrence, list when it happened (admission, labor, delivery, post-delivery) and at what point in the labor/delivery process (labor, delivery, post-delivery)

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
3	Patient's body seen by other people (apart from health providers) during delivery	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
4	Health providers shouting at or scolding patient	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
5	Health providers suggesting or asking for a bribe or informal payment for better care	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
6	Health providers threatening to withhold treatment because patient could not pay or did not have supplies (including delivery kit)	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
7	Health providers threatening patient for any other reason	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
8	Health providers making negative or disparaging comments about the patient	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
9	Health providers ignoring or abandoning patient when in need or when she called for help	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
10	Delivered without any assistance	Yes	No		1.	1.	1.
11	Tubal ligation (tying of the fallopian tubes) without her permission	Yes	No		1.	1.	1.
12	Caesarean section without patient or her relatives' permission	Yes	No		1.	1.	1.
13	Hysterectomy without patient or her relatives' permission	Yes	No		1.	1.	1.

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
14	Hitting, slapping, pushing, pinching or otherwise beating patient	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
15	Health providers sexually harassing patient or making sexual advances (for example, inappropriate touching or sexual comments)	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
16	Rape: forced to have intercourse or perform any other sexual acts against her will	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
17	Not providing anesthesia for the stitching of episiotomy	Yes	No		1.	1.	1.

	D&A Event	Did this happen?		How many times did this happen?	Where did this happen?*	Who performed the D&A?	Contextual notes (specific words, actions, incidents)
		Yes	No				
18	Woman or baby not allowed to leave the hospital due to failure to pay	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
19	Other episodes of D&A not mentioned: _____	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
20	Other episodes of D&A not mentioned: _____	Yes	No		1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
