Student Quotes (2019-2020 graduates)

- “(My counselor) was instrumental in helping me discover the role I wanted after graduation as well as coaching me to have confidence in the application and interviewing process.” (MHA)
- “My visits to the office were not only helpful with resume and interview preparation but were also a confidence booster and a source of hope that I will eventually find the job that I love. I am now working in the role of my dreams so thank you for all the help.” (HPM)
- “I found Career Services to be an excellent resource in the job hunt, as well as in my practicum search last summer.” (EPI)
- IT WAS PHENOMENAL! (GPH)
- “Career Services at Mailman provides high-quality and comprehensive resources. I appreciate that they offer well-rounded resources that address many different components of finding a rewarding career, including the skills, knowledge, networking connections, self-reflection, and emotional side of managing a job search process.” (POPFAM)
- “Great staff and the information I received from my counselor was just as valuable as what I learned from my professors in class, or sometimes even more so!” (SMS)
It’s a Great Time To Start a Public Health or Health Administration Career!

During COVID-19 “lockdown” (March-April 2020), there were up to 31% fewer job postings per month nationally

…BUT during the same time period

The number of job postings for people with Master’s degrees in public health INCREASED!
